PAPER PRODUCTION FOR JERUSALEM -- Rzeczpospolita, No 69, 11 Mar 49

Production of the state paper industry during February was above plan. Cellulose production was 103 percent of plan; paper, 106.1 percent; paper board, 118.1 percent; and news paper, 101.2 percent.

AMERICAN PRODUCTS IN DEMAND -- Rzeczpospolita, No 52, 22 Feb 49

The products of the State Asher-Processing Factory are in demand both within the country and abroad. The most important foreign consumers are the US, and the countries of the Near East, which import more than 5 tons annually.

Modern methods of production and a domestic discovery of a method of pressing amber fragments are used in the operations. The demand exceeds production and it is expected that new branches will be opened up in the near future.
